**IMPORTANT / Sample Submission Guidelines:**

- Bacterial strain must be submitted in 'pure and viable' form on slants or media stabs. They must be labelled properly with isolate ID and date of inoculation. Please note that we do not accept contaminated culture(s). Please ship the cultures only after their visible growth has appeared.

**Bacterial Culture Deposition Form** Format No- ICMR/NRAMRB/FM- /Ver. 1.0

PRN-

- Seal the agar plate/ slant tube/ stab vial with laboratory paraffin film and pack them appropriately to prevent any damage during transportation. It is important for biosafety reasons. Please note that we do not accept damaged consignment, you are requested to ensure thorough packaging of cultures. It is important that use a shipper that provides tracking facility and is known for timely deliveries,
- We accept cultures which can be handled under BSL-1 and BSL-2 facility only. You are requested to visit ABSA, WHO and LPSN website for more details.
- Cultures from private addresses will not be accepted. It is requested to send the cultures through proper channel and must be signed by the department head or advisor.
- Communication related to PRN (Processing Reference Number) will be done at nramrb2021@gmail.com.
